CADDY & CIGGY
THE TWO FALLEN
ANGELS

Once upon a time in Greedyville, a place where everyone was rude, nasty, greedy, and selfish—even the children were the same way. The toys they played with reflected their nature, as kindness and love were unknown concepts. Nobody in the town had ever been taught about them.

Zen: I'm not sure who sent us to Earth.

Taddy and Piggy, get here right now!

Taddy: Ooh, I'm here. What's going on?

Piggy: What Taddy said!

Zen: There are two evil versions of you living on Earth in a place called Greedyville; they are fallen angels.

Taddy: That's awful.

Piggy: oh no!!

Zen: they live girl name Tori who is extremely vain and selfish and rude to the extreme.

Taddy: what can we do?

Piggy: Yeah, what are our options?

Zen: You're not the only ones sending it down, along with a few others.

It takes thousands of you to help them.

Taddy and Piggy are sent to Earth, and they knock on Tori's door.

Mom: Yes, who could it be?

I told the local kids to stop knocking and running away from the door.

Both hurried inside the house, looked around Tori's bedroom, and found her. "Say, those evil two," Taddy exclaimed. "Oh no, Caddy, are you there?" Piggy added, "Ciggy, are you there?"

Caddy: Who would want to know?

Taddy: Don't you recognize me.

Ciggy: Did somebody call my name?

Piggy: i did don't you recognize me?

Caddy: You look exactly like me.?

Ciggy: Ditto

Taddy: We are the good twins, and you are the evil twins.

Caddy: We figured that out, genius.

Taddy: why everyone so mean and rude?

Caddy: Oh no, we're under an evil spell! You need to find the cursed hourglass to break it so everyone can go back to being nice and goody-goody again. Yuck!

Taddy: where can i find it

Caddy: I have no idea.

This town has banned all Good, prohibiting any mention of Faith, and has even found a way to block the sunlight, leaving it in complete darkness.

Zen: Taddy and Piggy need you to wear this for protection from evil.

Taddy and Piggy: we will

Taddy: did you here what Caddy said to me?

Zen: I heard every word. We're going to send 1 million to help and hug Tori to break the evil spell, and her mom too. Hug as many as you can after Tori and her mom. Say "I love you" while hugging them.

Zen: I will have the Royal one be the one to find the evil hourglass and destroy it. Watch out, ruler, here comes Lucifer.

Taddy and Piggy: got it

Zen: Got to go now, bye to both of you!

Taddy: I'll hug Tori, and you hug her mom.

Piggy: Got it, should I hug toys too?

Taddy: after hugging these two too

Taddy: Tori, hello! I'm hugging you now.

I love you.

Tori: Where am I?

Taddy: You're under an evil spell.

Oh, Caddy, where are you?

Caddy: Now what do you—

Taddy: I'm going to hug you now,

and I want to say I love you.

Caddy became nice after he said, "I love you."

Piggy: All done, Mom is as nice as she could be.

Taddy: Now go do the same with ciggy.

Piggy: Right away, oh Ciggy, I’ve got something for you!

Ciggy: What do you want? Just go away already.

Piggy: To give you a hug and say I love you.

They did it to all the stuffed animals in the room, as well as all three cats.

Ciggy turned out good as well.

A million has arrived, so hug everyone in town! Someone frozen in a hug turns back from wicked to good.

Taddy: got be way get all people there in mass?

Caddy: Simply organize an event and have it pretend to be announced by Lucifer.

Taddy: What if he discovers it!

Caddy: You will outnumber him, you're fine.

Announcements on TV and devices invite everyone to come meet Lucifer in person. The event is free and open to all ages.

Taddy: Zen, does Lucifer have a good twin? I need him.

Zen: Actually, yes, you want him to pose as Lucifer and deceive people who come to see him, while saving all those who attend the mass.

Caddy: Oh, this I've got to see with my very own eyes.

Piggy: Zen will be in charge of these events.

Zen: yes!

Ciggy and Caddy: Who is Lucifer's good twin?

Zen: You'll have to wait until the event to find out.

Caddy: I suppose you want everyone to wear something to shield the crowd from evil.

Zen: Thank you for reminding me, Caddy. Yes, I do think it's a necklace they can't take off.

Taddy: How am I supposed to hug that many people?

Zen: They will hug themselves, we repeat what I told you earlier.

Taddy: Oh, great, sounds like a perfect plan!

meanwhile over at dark castle mansion

Beonka: Dad, I didn't know there's a free event happening on Saturday.

Lucifer: What am I not? Someone will rue the day they impersonate me.

Lucifer: I will attend to see who pretends to be me. You're going to Beonka.

Beonka: Alright.

Everyone back in heaven is working hard to prepare for this event because it's in just two days.

Taddy: Why not use light-up headbands for concerts?

Zen: Oh yes, I put someone in their place so the devil can't trick them.

Zen: I know exactly who to ask—Rotten Rat from the Gingerbread story and Ronnie from the Ronnie the Fallen Angel Cat story. They have nearby free merchandise that we can distribute.

Rotten Rat: where am i?

Zen: You're in another story, helping to protect millions of people.

Rotten Rat: Understood.

Zen: I'll explain what we have to do as soon as Ronnie the cat gets here.

Ronnie: Okay, I'm here. What do you need me to do?

Zen: i need you both trick Lucifer both you see when someone in disguise

Rotten Rat: It's my specialty.

Ronnie: Same here.

The big day has arrived, and everyone is here. Some angels are parking, while others are handling attendance and taking tickets.

Lucifer: Beonka, it's time to go to the event.

Beonka: I’m on my way.

Lucifer: Let's go!

They board the helicopter and fly to the event, where angels are waiting at the airport to stop Lucifer in his tracks.

They are there to help offload from the helicopter into the stretch limo and then take off.

Beonka: When did people start helping us?

Lucifer: You're right, alright, who's this?

Chauffeur: What does it mean to drive you to an event in style and take you through the VIP entrance?

Lucifer and his daughter are there now.

Beonka: Wow, so many people, dad! You're popular!

Chauffeur: We are around here; I'll come open the door for you.

Beonka: Thank you.

Lucifer: Let's go, my dear.

they now inside

Head Angel please take your seats

and push button on headband and necklace

here is the one you waiting for is here put hands together for Royal One

Crowd cheered loud

The Royal One: Hello, everyone. I am The Royal One and I have the hourglass. I’m going to destroy it right in front of you now.

The crowd cheered even louder as they sang a song along with the Royal one. When the Royal destroyed the hourglass, everyone was filled with the Holy Spirit. All were saved, and spots were set up for people to get baptized.

Oh, as for those who came to help, they asked for nothing in return.

Taddy: My reward is seeing everyone filled with the Holy Spirit.

Rotten Rat: Me too.

Caddy: Me as well.

Others said the same thing.

As for Lucifer, he was sent back down to hell, sealed off so he could never return to Earth. Beonka was saved and became an angel.

Everyone who helped gave all glory to the Fathers in heaven, and they all returned to heaven.

The End.
